## SAMPLE SPEAKING TOPICS

### 1. Making Your Voice Heard in a World That Won't Stop Talking

The internet has given everyone to the marketplace, resulting in more competition than ever. With so much noise, how do you make your brand stand out?

Matthew explores how to develop your brand's unique voice so that it's heard through the noise—building an irreplaceable relationship with your audience and creating a loyalty that transcends the competition.

### 2. How to Create Great Content

For most businesses today, growing an internet presence is essential to surviving and thriving in any industry. But the reality is that without great content, most businesses will fail to attract attention online.

Having built the largest online audience in his industry, Matthew shares the secrets of creating great content. You'll learn how to take existing knowledge and turn it into entertaining and memorable content that arrests attention and engages an audience.

### 3. How to Reset the Standards and Expectations in Your Relationships and Make Them Stick

Relationship dynamics take root fast, and our initial frustrations with colleagues, employees, family, and romantic partners often remain unchanged over the years. Matthew will teach you how to:

- Communicate a new set of standards in an elegant way to mitigate confrontation and create "buy-in."
- Deal with the fallout that occurs from changing relationship dynamics.
- Develop strong personal leadership and confidence—the foundation of any long-term change in a relationship.
